Issue No 2/2012

28 January 2012

SCHOOL NEWS:

APPEAL: Upland's College will be hosting the ISASA Geography Conference from 24 – 29th September 2012. If you can help in any way by providing sponsorship of any kind – a night/ week end accommodation, a meal voucher (if you have a relevant business e.g. a lodge/ restaurant), or anything to contribute to a 'goodie bag' (sunscreen, bug spray, lip ice, hat, water, note book, pen, folder etc with business contact details on), it would be GREATLY appreciated. We would then put details of Sponsors on all information that is sent out or used during the conference. If you can help in any way, please contact Jocelyn on jbrown@uplandscollege.org – Please help us put Uplands on the map!

PARTY ENTERTAINMENT:

DAVID DEE Comedy Variety Entertainer and Magician 0824570392

David Dee the Magician and Comedy Entertainer is now available to perform at your function, be it a Birthday party, School function or any event that requires some Fun, Magic and Excitement! With over 25 years of Entertaining experience every occasion is turned into an event that will be remembered.

Magic and Balloon workshops for schools are a great way for children to have fun and develop confidence! Watch this space or email for more information. daviddee@absamail.co.za

Here are some of the Shows you can choose from: -

• **Superhero Magic Show:**

A thrilling Magic show that features Spiderman, Superman, Batman & The Power Rangers. The birthday child is a Superhero and helps with the Magic. 40 minutes filled with screams and delight! (Spiderman appearing soon).

• **Variety Magic Show:** A fast paced show with plenty of laughs, twister balloons, juggling & funny Magic. The Birthday child is the star of the show! This show is suitable for most age groups. Stage Show also available.

• **Combat Joe the Army show:**

The Captain trains the "troops" for a 1-hour workout filled with Army action. Then the troops all participate in the Fun by shooting disappearing gel.

P.S. The army is not only for boys. Splat without the pain!

• **The Nutty Professor SCIENCE Show:**

Learn as this Crazy character brings life to Science during his cool and exciting experiments. This is what "we" needed at school! An explosion of visual Fun and education!!! It's a Gas! Great for Birthday parties and Schools Science treat.

• **Water Olympics:**

The old fashioned outdoor water games. Be prepared to get wet! We can also have Mini-Olympics. This is without water. Sailor Flags, sack races, tug of war and lots more. (Suitable for adult events as well).

• **Magic Workshop:**

Learn Magic that you can do! **David Dee** teaches production and presentation techniques as part of the process. Then you do the Magic for him! More extensive when done as part of a school curriculum.

• **Balloon twisters Workshop:**

Try this new sensation – we teach the kids to make those adorable balloon animals which they also get to take home with them. A Real Gas!

For Entertainment with a twist or for more information please call David Dee in Nelspruit, on 082 4570392.

NUTRITION @ UPLANDS

VIBRANCE NUTRITION – ALIYA HOLLAND ND

Optimum health is more than just the absence of disease or ill health. It is a state of **profound wellbeing**, physical, mental and emotional. Many diseases can be linked to poor nutrition and in order for our bodies and minds to function optimally we have to provide them with the **correct nutrients**. Most of us have a basic understanding of what we need to do – it's **HOW** to do it that seems to be an issue.

Nutritional therapy is much more than just giving general advice on healthy eating. We all have individual requirements for nutrients, based on our genetic make-up, our environment and our lifestyles. I work closely with the individuals and families, to establish these requirements, and to identify and correct biochemical imbalances in our bodies which may lead to ill health. A personal tailor-made programme is devised, to enable the person to achieve and maintain optimum health.

Trying to ensure that our children get what they need from their diet is no easy task, but it is absolutely essential to ensure that good habits are set from early childhood. ADHD type behaviour can be improved immensely with a change in diet and the addition of certain supplements and all these measures should be attempted before a medication regime is embarked on.

Please call me should you have any questions or concerns 0797316199 or email me on aliyaholland@gmail.com. I work on a consultation and feedback basis that involves the recording of a food diary, and I am able to work remotely via phone and email.
