Dear Parents,

SCHOOL FEES – 2011

The Board has approved the School fees and levies for 2011. A great amount of work and thought has gone into the preparation of the budget which lies behind this fee schedule.

Our goals remain as before and are as follows; the need to continue to look at ways in which to improve and expand the holistic education we provide. The need to continue to offer quality education in a country environment. To continue to attract the best staff and to offer competitive salaries. To continue to maintain our small classes in order to continue to offer the individual attention that Upland's is renowned for. We are aware of the significant financial sacrifices being made by parents to give their children the best educational opportunities.

In line with the above, the current economic downturn has had an adverse affect on some families and we wish to advise you that funds are available for a limited number of bursaries for deserving cases. Application forms can be obtained from the Bursar who can be contacted at the school or emailed at bursar@uplands.co.za. These forms should be submitted to the school no later than 25 November 2010.

We attach the fee schedule for 2011, the Headmaster and the Chairman of the Board are willing to discuss any concerns or questions which parents may have. Our various payment options are specified clearly in this schedule.

I take this opportunity to thank all parents and friends of Uplands for their support during 2010.

Yours sincerely
